Jeraco camper tops suit your needs whether it be Camping, Fishing, Golfing, on the job or just pure pleasure.

Smooth exterior and interior finish.

Fits and looks like it's factory equipment... Easy to install with or without a bed liner.

Sliding side windows with screens.

more than just a camper top!

Recessed windows and gas props standard.

Smooth, wave free gelcoat color for a super finish... colored gelcoat is molded in, durable, and long lasting. A new 8 ft. high rise with large rear door opening gives you more than ample inside room. High quality resin and fiberglass construction insuring the ultimate in quality!

Locking rear door and interior light.

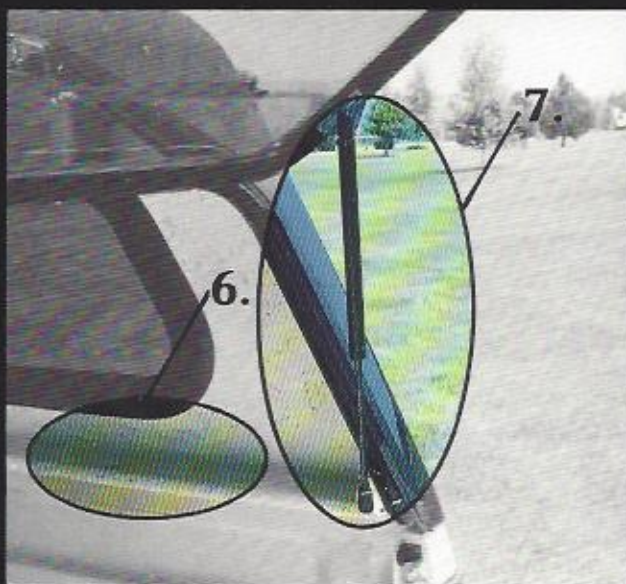

Standard features are sliding side window with screen, safety glass, interior light, locking rear door, gas props, and serial no. for owner I.D. and protection.

Serial No. or I.D. for owner protection.

Options Available: Color, Port Windows, Sliding Front Window, Roof Rack, Black Aluminum Door or Windows with light or dark tinted glass. Jeraco's finished product is the evidence of quality in Aerodynamic Styling, and built in satisfaction.

We reserve the right to change materials, styling and price at our discretion.

7 important reasons to buy Jeraco

1. Uniform fit to cap and bed.
2. Recessed windows set in rubber molding.
3. Black aluminum door and window with light or dark tinted glass.
4. Bottom sides of cap finished smoothly and entirely in fiberglass.
5. Any color, Metallic or Non-metallic coordinated to your truck color. We do not guarantee a perfect color match.
6. Mounting rails integrally molded to shell, safe mounting insured.
7. Gas props for smooth rear door opening.

We dedicated Jeraco to the highest standards of quality and service.
